Centennial Plans Near Completion

(The following report is offered by the Centennial Committee to inform Drayton Valley residents of progress on the Centennial Project.)

Plans are nearing completion in the Drayton Valley and area for the project that will be to celebrate Canada's 100th birthday. As a result of the endorsement of most of the Drayton Valley citizens' groups and clubs and also a house to house poll carried on in the rural area, it is almost unanimous that full support is being received for the project of building a Civic Centre and Arena.

This Civic Centre and Arena will be built in the Town of Drayton Valley directly west of the curling rink. This location is very handy to the downtown area of Drayton Valley, centrally located for the population and will have adequate parking space and will allow room for future growth. The project will consist of a covered arena which will seat approximately 800 people and have artificial ice.

The front of the building will form a nucleus for a Civic Centre and will have, besides dressing rooms and other necessary utility rooms, a large convention room which will seat 300 people and may also be used for large meetings, large social functions or any other desired recreation activity. The Arena itself may be used in summer for gymkanas, fairs, carnivals, Jamborees and many other activities which require large space under one roof.

In all, this project seems to satisfy the wants of the majority of the people in this district and the requirements of the area for at least 20 years to come.

Upon completion of our Centennial project, it will become the property of the Town and will be administered by the Town, this being a requirement of a Centennial grant. Being mainly a sports and recreation complex, its activities will be co-ordinated through a recreation director. However, it will be up to the citizens of the area to organize, direct and supervise the many activities which this addition to our Town will make available. Only if citizens' groups lead the way in sports and recreation, program and planning, will these facilities be utilized to their fullest.

The Drayton Valley and district application for Centennial grant is due to be submitted before December 31st, 1965 and when approved, final drawings and plans will be started with hopes for completion in time for use during the 1966-67 winter. To date, estimates have been made from the preliminary plans of Corbild Engineering. This firm was chosen over several because of their close association with and knowledge of this area. Prior to selecting these preliminary plans, the Centennial Committee had consulted with and had visited many other communities who have completed or are working on similar projects to ours.

The Centennial Committee believes this is the most opportune time for this district to embark on such a large scale project because of the following reasons.

1. Financial support is now available from all three levels of government in the form of Centennial grants.

2. The surrounding Improvement Districts are willing to assist the Town of Drayton Valley financially over and above their Centennial grants, thus making this project truly a total community effort and one that could not be accomplished independently by either the Town or the Improvement District.

3. It is probable that we shall receive more than token donations from industry and business as a result of this being a Centennial project.

The total cost of this project is expected to be from approximately $180,000 to $200,000 and plans call for raising the money in the following way.

(a) Centennial grants for Town and Improvement District - $16,500
(b) Town of Drayton Valley up to $100,000
(c) Improvement District 77 and 78 up to $70,000
(d) Industrial, business and personal donations up to $13,500.
Total - $200,000.

The Centennial Committee requests the continued support of all the people in this community so that this very important project to us all may be approved, completed and available for use while the opportunity is so favorable. With the average age of all people in this district being between 10 and 11 years old, what more fitting project to pursue?

The Centennial Committee will continue to keep the community informed of the progress of the project and welcomes any questions or discussions concerning the project.

JASPER-EDSON VOTERS

Re-Elect Horner

Dr. Hugh Horner

Progressive Conservative Dr. Hugh Horner of Barrhead was re-elected as Member of Parliament for Jasper-Edson riding in Monday's federal election.

Final results were not available as this form goes to press but at last count Dr. Horner had opened a wide lead on his nearest opponent Liberal W.R.Brunelle.

QUEEN SCOUTS HONORED

At a ceremony held in the Legislative Building, Edmonton on October 29th, Rolph DeGeest of Drayton Valley received the Queen Scout Award. Other boys in the surrounding districts to receive the award were: Dennis Ward of Sangudo, Rickey Evasiuk, and Henry Puischell of Whitecourt. The presentations were made by His Excellency, Lt. Governor, Percy Page. Congratulations are in order for Rolph for this achievement in Scouting.

REMEMBRANCE DAY PROGRAM PLANNED

Remembrance Day Service will be held this Thursday, November 11th in the Cardium Theatre. Veterans and Legion members will meet at the Royal Canadian Legion Hall at 10:00 a.m. prior to parading to the theatre. Those taking part in the service are asked to be at the theatre by 10:25 a.m.

LOOK WHO'S HERE!

She has won rave notices across the continent and arrived in Drayton Valley this week to the surprise of the onlookers in the above photo. Walt Disney's charming production, "Mary Poppins" will play at the Cardium Theatre from Thursday, November 11th to Wednesday, November 17th. Two shows each evening at 6:30 and 9:00 p.m. with matinees on Thursday, November 11th and Saturday November 13th at 2:00 p.m.

YOUNG CANADA BOOK WEEK NOV. 15 TO 22

November 15th to 22nd is Book Week for young Canadians. It has been decided that the Municipal Library will, in addition to its regular hours, stay open on Wednesday and Thursday afternoons, for visitors to see the display of new books. Please do not expect to return or borrow books on these two extra days.

Mrs. Kenneth Klevin will be in attendance on Wednesday and Thursday afternoons between the hours of 2 and 5 to show you about and answer questions as to procedure in borrowing if you should care to return and join at some later date.

Hope to see many of you on the week of November 15th

2014.18.202B

Revise Cadet Committee

By Mike Gormley

The Civilian Committee of R.C.A.F. Cadet Squadron #733 was enlarged and revised during the past week. At a meeting held at the Legion Hall on Thursday, November 4th, three volunteers from the ranks of the Legion Branch #269 of Drayton Valley became members of the Cadet Civilian Committee. The three are William Jones, Ernest Hasenclever and William Cochrane. The enlisting of such interested and capable persons into the ranks of the Civilian Committee is bound to increase its efficiency and its ability to deal promptly and adroitly with the problems at hand. Besides Mr. Jones, Mr. Cochrane and Mr. Hasenclever, Legion Executive members on hand were James Dean, President, Jacob Berg, Secretary and Past President, Ken Wardlow. Representing the Civilian Committee were Chairman Walter Krause, Secretary W.G. Johanneson and members Ray Wills and Mike Gormley. Cadet Commanding Officer, F/L Maurice R. McCullagh was also in attendance.

The past record of accomplishments of the Squadron and especially of the Civilian Committee was examined and duly discussed during the meeting. Some definite plans were laid for the future.

The Commanding Officer F/L Maurice R. McCullagh reported that presently Squadron #733 had a total enrollment of 37 Cadets. At the regular parade meeting held on Thursday, November 4th, 34 Cadets were present. The parade activities consisted of an inspection parade followed by lectures on small arms and Service Information. F/L McCullagh advised the meeting that regular reports would continue to be forwarded to the Civilian Committee as to the work and the progress of the Squadron. The essence of these reports will in turn be published by the Committee which should be instrumental in furthering the interest and the cause of the Cadet movement in Drayton Valley.

Events on the Squadron calendar in the near future are the participation in the Remembrance Day parade and service on November 11th, the Cadet Show Night to be held on November 24th in the Cardium Theatre when the film, "None but the Brave" will be shown and arrangements have been finalized for the local Cadet Squadron to visit the Whitecourt Squadron for competitions in curling, rifle marksmanship and bowling on Sunday, November 21st. This is the second year that those inter-squadron competitions have been organized. These ventures were very successful last year and should prove to be equally beneficial to all concerned during the present term of Cadet training. The Barrhead Squadron has accepted on invitation to take part in these inter-squad competitions this year. The Drayton Squadron will be traveling to Barrhead and hosting that Squadron later in the training year.

The local Cadets will be holding a Father and Son Banquet on or around January 15, 1966. Roy Wills is in charge of this project.

The Drayton Valley Squadron will also be holding a Chocolate Sale during the first week of December. An order has been placed with Lowney's and 450 boxes of chocolates will be delivered to the Civilian Committee Headquarters. These items will be sold by the Cadets on a door to door basis in order to raise money to forward the work of the Squadron.

Here the Officers and the Cadets of Squadron #733, as well as the members of the Civilian Committee wish to extend a vote of sincere thanks to Mr. Louis Serenas for his wholehearted cooperation in establishing "Cadet Night" at the Cardium Theatre during the past couple of years. This has been a very enjoyable and very much appreciated activity for the local Cadets. From one and all thank you very much Mr. Serenas.

It would seem that the local Cadet organization is off to its finest year to date. We have the personnel in every department of the organization to be successful. An excellent program is being planned and you should have a lot more favorable reports about Squadron #733 before next June.

JUNIOR HIGH STUDENTS FORM UNION

The Drayton Valley Junior High School, grades 7 and 8 recently elected their first Students' Council. Elected were: President - Fred Kaarsemaker Jr.; Vice President - Stan Olten; Secretary - Pat Hoge; Treasurer - Neil DeCiccio; Social Convenor - Jean Simon.

Their first project was a canteen sale which was very successful.

On November 12th the students will launch the Canadian Curtis Plan in which, for 10 days, the students will be offering to the community subscriptions to popular magazines. All kinds of subscriptions, new, renewals, and special offers, for over 100 magazines are available. A large part of the money thus collected will stay in the school, and with it Students' Council plans to purchase a large display aquarium for the school, as well as other school projects.

Their goal is $1,000 worth of subscriptions, and with the help of the community, they plan to go over the top.

Personal income taxes represent less than 20 per cent of the total paid by Canadians.

Farm Assn. Report

The Farm Business Report for the recently formed Barrhead, Westlock and Mayerthorpe Association has been released by the Alberta Farm Economics Branch.

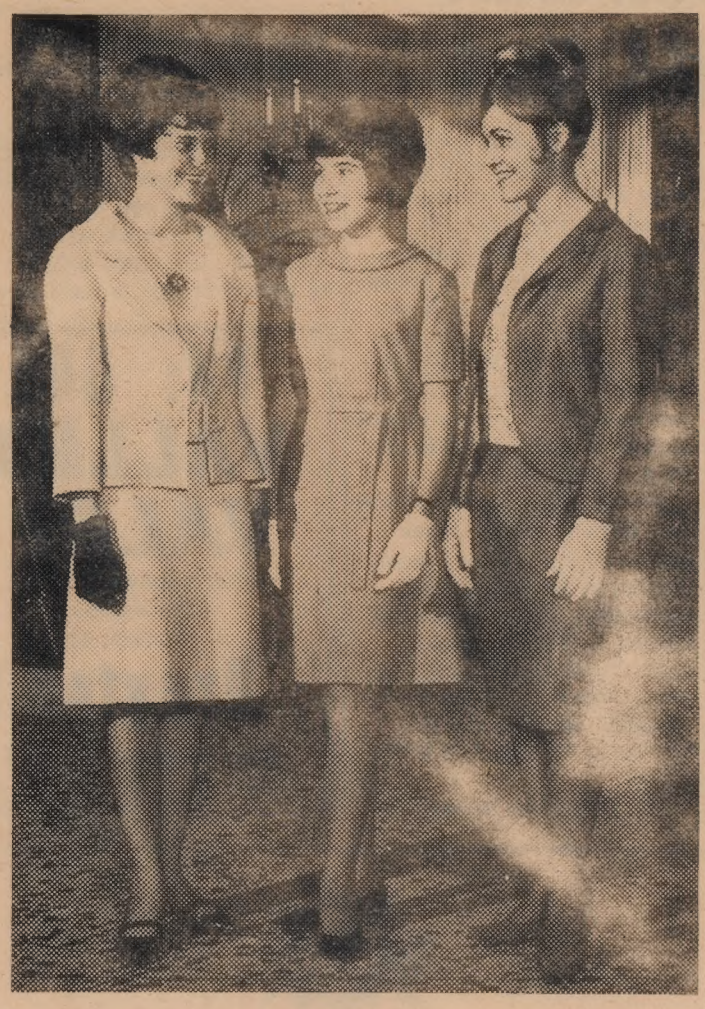
A.R. Jones, Supervisor of Farm Management, reports that the average net farm income per operator in 1964 was $6,400. The capital investment averaged $62,000 and the average operator earned 6.4 per cent on his investment after $3,500 had been deducted from the net income for wages to management.

Mr. Jones says the farms are predominately diversified with beef, cattle, hogs and crops providing the bulk of the receipts to the business. Cultivated areas average about 400 acres per farm. Summerfallow accounts for slightly less than 6 per cent of the cultivated acreage and forage crops for about 40 per cent.

In 1964, wheat and barley yielded 38.5 bushels per acre, oats 65 bushels and flax 14 bushels per acre. Cream condensory enterprises netted $49 over variable costs on a per animal unit basis. An animal unit is the equivalent of 1 mature cow, 1,000 pounds of beef or 5 market hogs. Comparative earnings for hog, beef feeder and cow-calf enterprises were $45, $24 and $13 per animal unit respectively.

Mr. Jones points out that farmers with diversified farms can gain a great deal of valuable information by following the progress of this newly organized farm business group. Copies of the Barrhead, Westlock and Mayerthorpe Farm Business Report can be obtained from district agriculturists and the Extension Service of the Alberta Department of Agriculture, Edmonton.

Canada's Sewing Queens



Introducing Canada's 1965 amateur Sewing Queens wearing the prize winning clothes that won them national awards. They are the Canadian finalists, in their respective age groups, in the Singer Young Stylemakers competition which this year attracted 58,000 entries from the U.S.A. and Canada. Left to right: Darlene Thomas, 15, Calmar, Alberta; Karen Sullivan, 12, London, Ontario; and Ann Meinzinger, 18, Toronto. Next stop for the Canadian girls is Rome, Italy, where they will compete against 12 U.S. finalists for the North American championships.

Vegetables and fruit should be washed but never allowed to soak for a long time. Much mineral or vitamin content is removed or destroy in too much soaking or cooking.

This is an Alberta Oilfield?

Can you find the oilwell? It is there, even though it isn't obvious, because this land has been reclaimed for agricultural purposes. While the surface was being used for mineral operations, the Surface Reclamation Council, a branch of the Alberta Department of Mines and Minerals, administered maintenance-of-land regulations and, when operations ceased, established standards for the reclamation of the surface. The surface of all lands used for drilling, mining, quarrying and pipe-lining must be reclaimed to save Alberta's land for future generations.

Since 1947 Alberta has experienced tremendous development of its oil and gas resources. Through policies established by the Legislature and administered by the Department of Mines and Minerals these resources have been developed in an orderly manner, for the greatest public good, netting Alberta 1,825 millions of dollars.

PROVINCE OF ALBERTA

Department of Mines and Minerals
Hon. A. R. Patrick, Minister
H. H. Somerville, Deputy Minister

Centennial Project

Alberta's Centennial Tree Planting project, scheduled to start next year and continue into 1967, is designed to beautify Alberta and to establish living centennial monuments for the future. It is being sponsored by the Departments of Agriculture, Education and Lands and Forests.

School boards and committees are responsible for initiating the projects which will operate through rural and urban school divisions. When applying for trees for themselves or on behalf of a local organization they must be sure the site was prepared the year before planting is to take place and they must be able to provide assurance that the trees will be given the necessary care and attention in future years.

Local organizations can have trees planted under the Centennial Tree Planting Project if their plan is accepted and sponsored by a school division.

School children in grades 6, 8 and 10 will plant the trees in school grounds; provincial, city, town and other public parks; picnic sites; campsites; bird habitat areas and other areas used by the public.

In 1967 every school in the province will be given a centennial rosybloom crabapple so that they can commemorate the occasion with a tree planting ceremony.

District agriculturists, school superintendents and forestry personnel will assist any organization wishing to plan a project and will provide them with technical information on land preparation, planting and care of trees.

A.M.A. Representative Speaks at HSA Meet

A meeting of the Drayton Valley Home and School Association was held on Thursday, October 28th in the auditorium of the Junior High School.

Mr. Bob Cowan, president of the Association presided over the meeting.

The Principal and Teachers of the Junior High School were introduced.

Parents are once again urged to support the Home and School Association as the numbers attending are very small. Membership is needed if Home and School is to play a part in this community.

Mr. Guy McKinnon, of the Alberta Motor Association spoke about the merits of a School Safety Patrol program. Such a program is now in effect in Drayton Valley and much enthusiasm is exhibited by patrol members and students alike. Mr. McKinnon stated that experience in a School Safety Patrol helps to form a good attitude in responsible, safe, driving in later years. Teen-age applicants for driver's licences who have had Safety Patrol experience invariably have a more mature outlook when it comes to driving a motor vehicle.

Mr. McKinnon showed films on a driver-training course. Such a course has been incorporated in the high school curriculum in the Province of Ontario. This year such a course is being started in Calgary. Theory is taught in the classroom and the actual driving in the student's spare time.

Mr. McKinnon stressed the dangerous situation of there being no formal driver training course for boys learning to operate a motor scooter and felt that parents could possibly take some action in this regard Young boys are left to their own devices to learn to drive a scooter. He urged fathers to give their sons as much instruction as possible.

The next Home and School meeting will be held on Wednesday, November 24th at 8:30 p.m. in the Frank Maddock High School.

ALBERTA JUNIOR CITIZEN OF THE YEAR
BULLETIN:

CHIP LAKE GIRL WINS SPECIAL AWARD

Doris Pollard of Chip Lake is too young to be named a Junior Citizen of the Year. She is only four years old. Yet this tiny girl rescued her two brothers and baby sister when fire destroyed their home!

On December 22, 1964 Doris was in the house playing with her two little brothers. Mrs. Pollard had to accompany the veterinarian to the barn to look at some sick animals.

Suddenly there was a terrific bang — sparks from the stove were everywhere. Doris hurried her two young brothers outside — then she went back into the burning house and carried out her baby sister Sharon. Doris is like any other little girl of her age, but on that fateful day last December, she acted like a mature adult!

We congratulate Doris on winning this Special Award. Our thanks to Alberta's Weekly Newspaper Editors for their active co-operation in the Alberta Junior Citizen of the Year program, sponsored by Alberta's investor-owned electric utility companies.

This is a Special Award announcement made in connection with the Junior Citizen of the Year program. Our special thanks to Ronald B. Smith, Editor of the Western Review and to Doris' nominator, Mrs. M. Bruner of Wildwood.

Pesticide Survey

Survey results on pesticide residues in foods indicate that Alberta producers are taking the necessary precautions to ensure that their products are free of harmful chemicals.

Dr. V.W. Kadis, Director of the provincial Dairy Branch Laboratory, reports that an appreciable number of dairy products, meat, eggs and other foods have been examined at the Laboratory during the last few months. He says in the few cases where residues were detected, the levels were very insignificant in almost every instance.

A similar survey condicted in the United States last year by the Food and Drug Administration showed that the levels of pesticide residues found in food samples collected from grocery stores in several large cities were equally insignificant from the point of view of health. The samples were also examined for herbicide and fungicide residues with only very few containing detectable amounts. All were well within the safe limits established for individual crops. No organic phosphates were found in any of the composite food samples examined.

According to Dr. Kadis, the analyses of food for pesticide residues will continue in Alberta and the results will be closely watched by provincial and federal authorities.

HOPE TO OPEN NEW HIGHWAY

Hon. Gordon E. Taylor, Minister of Highways, has advised that prospects for opening the new multi lane highway south of Leduc this year are brightening.

"If the present favourable weather remains for another two weeks or so, it appears that we will be able to open the new highway for traffic this year. Less than ten miles of base remains to be done and this work involves three separate contracts."

Over 65 and want more out of life?
Investigate an Annuity.

S. C. Lunan
Representative
DRAYTON VALLEY
Tel: 542-4033

Life on "just enough" income can be a frustrating and dull existence. Yet it's the life led by many people to-day who live on a limited pension. Extra money from interest and dividends on their few investments can help. But in many cases it's still not enough to really enjoy life. Selling investments for cash is a temporary solution but in the long run it means less income and more money worries.

The answer is an annuity. It scientifically combines interest and capital to provide a guaranteed income for life. It banishes stock market worries. Gives peace of mind. How much income an annuity will provide depends on many factors. Your age, for example, and the kind of annuity you buy. One popular type would give a man age 70 who deposits $10,000, an income of $1,248 a year as long as he lives. For information on an annuity to fit your needs just call the Manufacturers Life representative.

Barbara Schenk,
Correspondent

A Hallowe-en Party was held in the Moon Lake Hall on Sunday, October 31st. About 60 children enjoyed an evening of games and goodies. Prizes were given for the three best dressed girls and the three best dressed boys. Grownups were in costume too. A good time was had by all.

The meeting of the Hoot Owl Community Club which was to be held on Monday, November 1st could not be held as not enough members turned out. We hope to have better luck at the F.U.A. meeting on Saturday, November 6th at Millbank as we haven't had anyone show up for three months. Come on members.

Clara Bush went to Thorhild on November 5th to see her Uncle, Mr. Jack Chambers who is in Westlock hospital seriously ill. We wish him a speedy recovery.

The winner of the plastic garbage can raffle at the Bingo on Thursday, October 28th was Mrs. B. Schenk. The winner of the 5-piece Teflon ware cooking set at our monthly Bingo, Thursday, November 4th was Jean Smith of Entwistle.

Visitors to the community recently were Mr. and Mrs. Alec Kavahanen and family. Mrs. Kavahanen is Mr. and Mrs. Bill Cherrington's daughter.

Ray and Diane Tufty are spending a week in Drumheller visiting Diane's parents there. Raymond's sister Lil Tufty is coming back with them for a visit here.

D.V. HIGHLIGHTS

By Edith Deby

Mr. Clarence Douglas, an old timer of the Rocky Rapids district, passed away in the local hospital on Saturday. Our deepest sympathy is extended to his wife and family.

Many of us received a distinct shock last week when the news of Charles Twissell's transfer was made public. Chuck will be in charge of Calgary Power in Hay Lakes. Congratulations on the splendid promotion, Chuck, and best wishes to all of you. Drayton Valley will miss you.

Chief Constable Al Miles left on Tuesday last week to attend a three day convention of the Canadian Good Roads Association in Lethbridge.

Mr. C.D. Fuhr has had the best possible news from his doctor. He has been given a clean bill of health, and was to be seen dashing about town last week apparently as well as ever.

Mrs. Halstead, accompanied by her daughter, Miss Edna Halstad, spent several days with her daughter and son-in-law, Mr. and Mrs. Lyle Beckett.

Mr. Otto Ganske, now living in Summerland, is in hospital but no further information is available at this time.

Mr. Albert Stordalsvoll, who has spent the past several weeks on the family farm at Pembina, will return to Creston for the winter.

Mrs. Andrew Johnson and Mrs. Shewfelt entertained at the former's home last Thursday evening with a miscellaneous shower for Miss Sylvia Hines. Mrs. Eddie Hines and Miss Lila Shewfelt organized several games and contests. Miss Sonia Urchyshyn and Miss Lila Shewfelt helped the bride open her presents. Miss Elaine Johnson and Miss Darlene Urchyshyn assisted the hostesses with serving. Miss Hines will marry Mr. Eugene Urchyshyn in an early afternoon ceremony in the Church of God on November 19th.

The marriage of Mr. Jack Goubault and Miss Gloria Erickson will be solemnized in Drayton Valley United Church on December 4th.

Mrs. George Badick has been a patient in University Hospital for many weeks now. Twice she has had an operation on her spine and another one will be performed shortly. We all wish Mrs. Badick a complete recovery.

Mrs. Ted Mastre is planning to sell out at the farm and move to Drayton Valley before Christmas. It is to be hoped that this is not the first step for Mrs. Mastre and her fine family to leave the district.

SORRY

We regret that a last minute shortage of space forced us to leave a considerable amount of news out of this week's paper. It will be carried in the next edition.

The In Crowd News

The In Crowd which is just the old Pembina Teens with a new name has just recently started out the year.

As you all know we have had one dance which was a big success. We are holding our second dance on Friday, November 12th. The band will be the well known and very popular King Beizz. There will be a-go-go dancers and our theme will be the In Crowd Discotheque. We expect this dance to be an even bigger success than our first and we would like to see all the teens from Drayton to come. Remember these clubs and activities are for your benefit and enjoyment and we would like to see them well represented.

If you are in the age group of 13 to 19 you are eligible to become a member. The fee is only one dollar and memberships are being sold by all In Crowd members. The date of the next meeting will be posted in the near future.

We would like to take this opportunity to thank our sponsors, the Rotary Club, for all they are doing to help us.

WORK STARTED ON RINK

Work has started on the Rotary Community Park Skating Rink and depending on the weather ice should be available there within the not too distant future. The rink has been leveled off and completely overhauled during the off season so with the right kind of weather it should not take many days to get a favorable skating surface.

Clyde Brown has been hired as caretaker and supervisor for the Rotary Park rink.

SCOUT COMMITTEE MEETING MONDAY

The annual meeting of the Drayton Valley Boy Scout Committee, will be held in the Scout Hall on Monday, November 15th at 8:00 p.m. All interested in Scouts and Scouting please attend.

Chamber of Commerce Regular Meeting

A regular meeting of the Drayton Valley Chamber of Commerce was held last Thursday evening with a small number of members present.

It was reported that the Department of Education had shown considerable interest in the Chambers suggestion that music be introduced in local schools. The department approved any move to present students with the opportunity for cultural advancement.

Reports on music activities in other school divisions were read and all showed a high degree of activity and support for such programs. The difficulty was, however, in obtaining licensed teachers capable of providing music instruction.

The meeting decided to continue investigations in this regard.

A letter was received from the Wetaskiwin Chamber of Commerce seeking support for their proposal to introduce Daylight Saving Time to Alberta. A motion to this effect was defeated and the Wetaskiwin Chamber will be so informed.

A nominating committee of Howard Pickup, Jack Mosdell and Tom Johnson was appointed at an earlier meeting and will present a slate of officers for the annual meeting.

A report on the Klondike Kampers Kamival showed the Chamber still to be in debt by about $1400.

In regard to next year's Kamival it was suggested that an early start be made in arranging the program and obtaining bands. No action was taken at this time.

Centennial plans for Drayton Valley were also under discussion briefly.

BIBLE STUDY

Thursday of this week the study will be held in the home of Dr. and Mrs. Lewis at 4920 47th Street at 8:30 p.m. The group will continue with a discussion of Revelation Chapters 2 and 3 and all interested persons will again be very welcome.

4-H MEETING

The first regular meeting of the Drayton Valley 4-H Beef Club was held on Tuesday, November 2nd. President, Terry Sharkey, called the meeting to order at 7:00 p.m. with the 4-H Pledge. Several items were discussed, including insurance for calves, fund raising, and a farm safety committee. It was decided that the club go on a travelling supper on November 12th. The next meeting will be held on December 7th.

DRAYTON FIREMEN JOIN CAMPAIGN

Drayton Valley Fire Department has joined firemen across the nation in the annual drive against Muscular Dystrophy.

The local department has placed posters and counter banks in local business places and seeks the support of residents in their campaign against M. D. The drive for funds, which started November 1st, will run through December.

WEDNESDAY, NOVEMBER 17th - Girl Guides at 6:45 p.m.; Rotary Club
THURSDAY, NOVEMBER 18th - Chamber of Commerce; Executive meeting at 7:30 a.m.; Luthern Ladies Aid

Johannason Rink Wins Bonspiel

Bill Johannason started the curling season off on the right foot over the past weekend as he took top honors in the Mixed 'Spiel, in the final game he defeated Ron Robinson of Evansburg. Curling with Bill were his wife and the McCullaghs.

In the second event, Gary Lorenz also of Evansburg defeated Emile La Branche and in the third event it was Milt McMahon over Dr. H. Shimbashi.

Mens Curling started on Monday evening with the qualifying rounds being played to devide the teams into four squares for the first draws. Forty rinks will be playing off for positions in sections "A", "B", "C" and "D". The teams will then play a Round Robin series to decide the winners of each section after which the sections will be redrawn.

Interest at the Curling Club seems to be increasing this year, with 40 rinks in the Mens Club and 17 rinks in the Ladies Club and 20 rinks curling in the Mixed Club and only one more rink needed in the Sunday Curling League to make up the compliment of 10 rinks. If you are interested in curling there are still a few spots left, please contact Ken Ewoniak or Emile LaBranche.

High School curling under the direction of Jim McGuigan and president, Gerald McMorris started on Monday after school. There is also a Junior High School league being set up under the same system, if you would like to help the Juniors to start curling you can do so by dropping into the rink at 3:30 on either Monday or Tuesday. Credit has to be given to Jim McGuigan for setting this league up for the students.

The weekend schedule for Bonspiels is filling in quite rapidly. This year the club will host the Alberta Legion Playdowns. It was only through the fast work of the local Legion that has made this possible.

We hope that if any of the other organizations in town are planning a bonspiel you are urged to get in contact with bookings chairman, Darryl Trueman. Early bookings will avoid any disappointments that may arise.

Preparation Underway For New Hockey Season

Since the hockey season is just around the corner preparations will get under way this week within the local Recreation Department. These preparations will get underway at two levels; first we will get rolling on the organization of the program and secondly we will start preparing the rink.

A meeting will be held on Friday evening, November 12th at 7:30 p.m. in the Recreation Office to lay plans and set policies for the 1964-65 hockey program in Drayton Valley. All persons interested in coaching hockey during the coming season are requested to attend this meeting if possible. From here we hope to set up a series of short coaching and officiating clinics whereby interested persons may learn more about this wonderful game of hockey. We have two persons in the community who have attended the Canadian Amateur Hockey Association Leadership Institutes held in Vancouver and Calgary during the past couple of years. Ken Machan attended the Calgary Institute late this past summer and I am sure that he would have a lot to offer prospective hockey coaches both from the point of view of the Institute and from his personal experience in hockey. These short clinics will be nightly affairs beginning about the middle of the month and running on the basis of a couple of times a week through to approximately December or to the actual opening of the Minor Hockey season.

Work will start on the rink on Wednesday, November 10th and weather permitting will continue until the ice surface is ready for use. The rink caretaker and supervisor this season will be Peter Gregersen. It is expected that rink scheduling will closely follow the pattern set in other years. A complete and approved schedule will be published at a later date. Also look for a complete and detailed report on the proposed minor hockey program for the 1965-66 season.

CWL MEETING

The St. Anthony's C.W.L. meeting was held on November 1st with Father Lynch and 25 members in attendance.

A decline in donations of clothes for the needy and the Marian Centre in Edmonton was reported. Especially at this time of year, clothing would be appreciated. Donations may be given to Sophie Lemermeyer, Welfare Convenor.

Patti Tomaszewski reported that no more leaders are needed for Girl Guides, however the Rangers need one helper.

The U.N.I.C.E.F. Drive conducted this year brought in $63.80. The bulk of this was collected by 29 children, and to them go special thanks for their effort. Several stores cooperated by displaying collection boxes on October 30th.

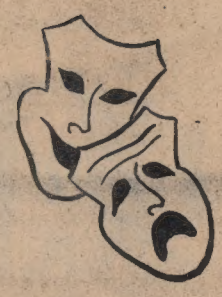
The Diocesan C.W.L. of the Edmonton area has for its Centennial Project the erection of a home for needy Indian and Metis girls, with official opening to be held on April 26, 1967. Aside from our personal donations of $5.00 per member per year, the C.W.L. is conducting a "Chocolate Drive", as a further means of achieving our goal. Price - $1.00 per box. Available after Masses on Sundays or from any C.W.L. member. Anyone for chocolate coated almonds?

It was decided to have a Christmas social at our next meeting. Instead of exchanging gifts, $1.00 per member will be donated to buy gifts for needy children of the community.

On the first Sunday of Advent, on November 28th a Scripture Service will be held at the church at 8:00 p.m. Everyone is welcome to attend.

The Rosary for Peace will be recited at 8:15 p.m., preceeding our regular meetings from now on.

Hospital visitors for November are Patti Tomaszewski and Leona Reisterer. Ona Trudel, Sophie Lemermeyer, and Gil Hasenclever.



DRAMA CLUB PLANS PLAYS

There's great activity in the drama group as the D.V. Players prepare for their fall production - another evening of three one-act plays.

Comedy is the theme with two plays by Canadian author, Elda Cadogan. "Rise and Shine", winner of more than twenty awards in Drama festivals across Canada and "The Other Half", a satire on modern living. The third play, "The Poison Party", spoofs royalty and will be the Player's first effort in costume.

Two new directors on the scene will be Barbara Ekkert (nee Bingely) and Del Raddis. Local fans who have enjoyed Barb's performances in past productions will miss seeing her on stage. More fortunately for viewers Del will be appearing as well as directing in "The Other Half". Pat Moore, director of last spring's "January Thaw" will direct "Rise and Shine"

Rehearsals are frequent and frantic as production dates - November 26th and 27th draw near. Any day now the sets will be transported down 50th Ave. to St. Anthony's High School Auditorium.

More about casts next week.

NEED ADMISSION TICKETS for dances, socials, club activities ? We print them.

Mayor Addresses Lions

At the October 19th regular Lions Club meeting held at the Cardium Room at 7:00 p.m., Mayor Howard Pickup, guest speaker for the evening, gave an interesting and informative talk on town administration and town planning.

Thanks go to all who made the World Series Pool a success. A profit of $440.00 was realized from the sale of tickets.

There has been a considerable amount of damage to the West Valley Park property caused by scooters and motor vehicles. We wish that the few people responsible would stop trespassing. The Park is open for use of all citizens. There is enough maintenance and work to complete the Park without the need of malicious damage. We sincerely hope that the erection of a fence around the Park property will help remedy the situation.

The Lions Club met for a regular meeting on November 2nd at the Cardium Room.

The C.N.I.B. campaign is not yet complete, but from all indications should exceed $700.00.

Anyone interested in purchasing a Grey Cup ticket should get in touch with one of the Lion members. Prize money totals $600.

Alf Kublick, recent transfer to Drayton Valley, is in charge of arrangements of the Lions Christmas Party.

A Lions Curling Bonspiel consisting of 16 teams is planned for the first weekend in December.

The colorful highlights of the 1964 Grey Cup classic between the British Columbia Lions and the Hamilton Tiger Cats rounded off the meeting.

Alberta Government Telephones will prepare and present a closed circuit television hookup with Defence Headquarters (U.S.A.) at Colorado Springs at the November 16th general meeting.

4-H GARDEN CLUB HOLDS SUPPER, DANCE

On October 29th the 4-H Garden Club held a buffet supper with a dance following in the Legion Hall. The Treasury Branch presented Linda Dusterhoft with an award for being efficiency winner. Diana Kos received an award for best garden. The Royal Bank presented Vera Hodgson with an award for being Achievement Day winner. Dale Mastre was awarded a scholarship from the Women's Institute. The whole club offers a thank you to the Legion for the use of their hall and to the donators of all the awards.

Little League Bowling

Due to temendous interest in Little League Bowling we will have bowling for this league on Saturday's from 1:00 to 3:00 and from 3:00 to 5:00.

The following children will come to bowl at 1:00 p.m. Team No. 1 - Wayne Hallderson, Jeff Wardlow, Sandra Gano, Bert Gano. Team No. 2 - Linda Astle, Les Wills, John Teeter, Fay Astle. Team No. 5 - Vikki Wardlow, Debbie Sprague, Lynne Hurley, Butch Shewfelt. Team No. 6 - Charles Chipchase, Blair Ibbotson, Glenn Swanlund, Lee Hurley.

The following children will come to bowl at 3:00 p.m. on Saturday: Manford Baum, Laurie Cathrea, Hal Smith, Ann Marie Ganske, Philip Steeves, Gordon Hart, Ann Cathrea, Darell Slaton, Mike Metzger, Greg Metzger, Reg Madsen, Lawrence McMullen, Linda Hinecker, Joanna Hansen, Gavin Ibbotson, Shannon Cooke, Wayne Nelson, Robert Ganske, Craig Featherstone, Carey Selin.

If you cannot come at the specified time, please contact the Twilight Bowl at 542-3745 or 542-3454.

EDSON HEALTH UNIT

NOTICE

The Edson Health Unit will hold an Infant, Child and Adult Health Clinic at the Evansburg Legion Hall on November 12th from 1:00 p.m. to 3:00 p.m.

Lodgepole News

MRS. W. NOROUAY
Correspondent

We are sorry to report that Mr. Don Goodheart is a patient in the Drayton Valley Municipal Hospital.

Mrs. J. Tindall was here for a visit recently. Mr. J. Tindall is in the hospital with pneumonia. He will be confined for a few days. Here's hoping he has a speedy recovery.

The work on the road here is just about finished. The 17 of November is the deadline. Unless it snows they'll be done before that.

Mr. Len Wiltse passed away November 1st in Edmonton Hospital.

CARD OF THANKS

SHEELER-We wish to thank everyone who helped Debbie through her illness by sending her get well cards, letters, gifts and going to visit her. I also thank everyone for their kindness and sympathy extended to us during our recent bereavement in the loss of our loving daughter. A very special thanks to Rev. Stan Erritt and pall bearers, also for the beautiful floral tributes.

Adeline and Don Sheeler and family.

NOTICE

IN THE DISTRICT COURT OF THE DISTRICT OF NORTHERN ALBERTA JUDICIAL DISTRICT OF EDMONTON

IN THE MATTER OF the Possessory Liens Act, being Chapter 238 of the Revised Statutes of Alberta, A.D. 1955, and amendments thereto, and

IN THE MATTER of an Application for an Order for Sale of a certain 1958 Oldsmobile, two tone sedan, held by the Applicant herein, between:

MAYHEW SERVICE STATION LTD. Applicant, and
ERNEST FOWLIE Respondent

ORIGINATING NOTICE OF MOTION

TAKE NOTICE that you are indebted to the Applicant for storage in the sum of $222 being storage due at the rate of $.50 per day from the 1st day of November, A.D. 1964, to the 10th day of June, A.D. 1965, and you are hereby required to take possession of the hereinafter described vehicle.

AND FURTHER TAKE NOTICE that you are hereby directed to make payment of this sum to Messrs. White, Trott & White, Barristers and Solicitors, 706 Imperial Bank Building, Edmonton, Alberta, on or before the 15th day of November, A.D. 1965.

AND FURTHER TAKE NOTICE that the Applicant has detained one 1958, two toned oldsmobile Sedan, Serial Number 8366910752 to secure payment of the above sum.

AND FURTHER TAKE NOTICE that an Application will be made on behalf of the Applicant, before the presiding Judge in Chambers, at the Court House, in the City of Edmonton, in the Province of Alberta, on the 24th day of November, A.D. 1965, at the hour of 10 o'clock in the forenoon, or so soon thereafter as Counsel may be heard, for an Order permitting the Applicant to sell the said 1958 Oldsmobile Sedan, contained herein, or for such other Order as may be deemed necessary to secure the Applicant's account for storage supplied by the Applicant, together with costs of the Application to be taxed.

AND FURTHER TAKE NOTICE that in support of the Application will be heard read the Affidavit of Robert Mayhew, filed, and such other material as Counsel may advise.

DATED at the City of Edmonton, in the Province of Alberta, this 2nd day of November, A.D. 1965.

National Church Workshop

From Tuesday, November 2nd to Friday, November 5th, the second National Workshop on the Work of the Anglican Church in Rural Areas of Canada was held in the Sheraton Cavalier Motor Inn, Saskatoon.

In attendance were sixty-five delegates, both clerical and lay, representing 24 of the 28 Canadian Dioceses, together with five observers from the Episcopal Church of the U.S.A. and one observer each from the Roman Catholic Church and the United Church of Canada. The Reverend G.E. Ingram of Drayton Valley was one of three delegates appointed to represent the Diocese of Edmonton. These delegates met to deepen their understanding of the socio-economic changes and context of the world in which the Church is now working; and to make a study of the psychological changes taking place as a result of the socio-economic trends.

Many of the problems of the institutional church, and the community in which the Church is at work, were delineated. Opportunities for the Church in rural areas were discussed and listed. In plenary sessions the delegates heard addresses by the Reverend Prof. G.H. Earle, Principal of Queen's College, St. John's, Newfoundland, on the subject: "A Theologian Looks at the Small Church in a Big World"; Group discussion characterized this National Workshop, - the second such sponsored by the Department of Christian Social Service of the Anglican Church of Canada, - as group discussion is a feature of most "workshops".

The delegates were impressed with the profound planning and efficient execution of the Workshop, as well as with the tremendous concern and interest displayed by those who came to take counsel together. They were reminded again at the final session that the experience of this workshop needs to be duplicated regionally in order to reflect the local facts and base plans upon them.

JEHOVAH'S WITNESSES HOLD CONVENTION

Mr. Ralph Wikander was one of 18 delegates to the semi-annual convention of Jehovah's Witnesses this week end. The convention was held in the Jasper Place Sports Arena. The theme of the gathering was "Increasing our Praise to Jehovah." Mr. Wikander stated that the program was designed to help men and women to become better ministers.

Drayton Valley delegates helped in many phases of the volunteer work required to make the assembly a success. This included a corps of attendants who cared for crowds of up to 1000 a day with a peak of 1374 on Sunday. A cafeteria provided wholesome meals. This too was staffed by volunteers.

The key note address was given Sunday afternoon by Mr. A.M. Didur, District Supervisor for Jehovah's Witnesses in Western Canada. He spoke on "What Does the Resurrection of the Dead Mean for You and Yours."

RECORD NUMBERS OF COAST CRUISERS

The S.S. Prince George, Canadian National's B.C. coast cruise ship, carried a record 4,800 passengers during her Alaska cruise season.

O. O. R. P. Meeting

Thirty-one members were present at the October 5th meeting. It was decided to adopt a patient for one year. A committee of four was set up for this project. It was decided to hold a senior citizens Christmas banquet for persons over 70 years of age. The drapes were taken down to be sent away for cleaning.

At the October 19th meeting 30 members were present. Our annual turkey bingo will be held on December 8th. 30 games, 30 turkeys - price $2.00 per master card. The date for the senior citizens Christmas Banquet has been set for Tuesday, December 21st at 6:00 p.m. Any person who has attained the age of 70 years or over and have not been contacted by letter, and living in the Drayton Valley area to the river east or receiving mail at Rocky Rapids, Easyford or Violet Grove please phone 542-3694 or 542-2190 or write Mrs. Hilda Rand, Box 1051, Drayton Valley before November 30th. Transportation can be provided for those who specify. Although we have tried to compile a complete list this has been difficult due to the area being covered. If you have been missed please phone or write as we want to contact everyone of this age and no one to feel left out. At this time we wish to thank everyone who has attended our Bingo's.

COMING EVENTS

A TEA and BAZAAR will be held Saturday, November 13th from 2:00 p.m. to 4:00 p.m. in the Legion Hall, sponsored by the U.C.W.L.
